PUBLIC WORKS DEPARTMENT.

G.O.Ms.No.2477 Dated the 8th June 1953.
Read the following:

From the Chief Engineer (Electricity) letter No. 759 K/51-28 dated the 16th April 1953.

O R D E R:

With reference to the provisions of Article 194 of the Madras Financial Code, Volume I, and para 643 of the Madras Electricity Department Manual, Volume I, documents relating to numerous contracts for supply of coal to the Government Electricit Department have to be signed by the Chief Engineer (Electricity). The Chief Engineer (Electricity) has represented that the routine signing of several pages of the documents takes a great deal of his time and has therefore proposed that powers to sign the contract documents or agreements in respect of supplies of coal to the department for which tenders are accepted by him may be delegated to the Chief Operation Engineers. The Government accept the Chief Engineer (Electricity)'s proposals.

2. In exercise of the powers conferred by the Article 299(1) of the Constitution of India, the Governor of Madras hereby authorises the Chief Operation Engineers of the Government Electricity Department to execute contracts or agreements in respect of supplies of coal to the department for which tenders have been accepted by the Chief Engineer (Electricity).

3. The Chief Engineer (Electricity) is requested to suggest amendments to the Madras Electricity Department Manual, Volume I, and the Madras Financial Code, Volume II with reference to the orders in para 1 above.
